

Ash & Ember Rising

A Place to Start

This is not a self-help pack. It's a survival hug.

Welcome to

Ash & Ember Rising

A space for humans (and goats) who are doing their best.

This printable pack is your invitation to reflect, rest, rage, and rise — on your own terms.

Inside, you'll find a mix of reflection pages and affirmation art designed to hold space for wherever you're at — whether you're glowing like embers, burning bright, or just trying to stay warm in the ashes. Some pages have prompts, some are blank, some are lined, some are not — because no two days are the same and neither are you.

♥ How to use this pack:

Colour outside the lines

Write your truth

Burn it, bury it, frame it — it's yours

Come back tomorrow and do something completely different

There is no right way to be here.

Just being here is more than enough.

You don't need to be on fire to be rising.

You don't even need to be rising.

Some days, just existing is a quiet kind of victory — and I see you.

How to Print:

Format: A4 (recommended)

Can also be printed A5: Print 2 per A4 and cut — great for journaling

Paper: Standard printer paper works, but thicker paper is great for colouring

Printing Tip: For borderless or full-colour images, use “fit to page” or “borderless” settings if your printer allows

*Tell your truth in ink,
color, or silence.*

What fire have you walked through lately?

What would rising look like today?

What layer of me is ready to be seen?

You don't have to rise today. You don't have to do or change or become. Just being here is more than enough.

A stylized illustration of a fire with a reflection in a pool of water, set against a background of large, decorative black swirls. The fire is depicted with bright orange and yellow flames rising from a dark, swirling base. The flames are reflected in a pool of water below, creating a symmetrical effect. The background features large, black, decorative swirls that frame the central fire and water. The overall style is graphic and artistic, with a focus on bold colors and intricate patterns.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
